We're Looking for One More Awesome Home and Some Family Memories!

Our first ever home tour is planned for April 7, 2024 and we need another home or two to help us illustrate the architecture and history of our 1950s/60s era neighborhood.

If you want to serve as a docent or share your home for this important fundraiser, please let us know!

We also know some of you have family photos taken when this neighborhood was freshly-built.

We'd love to see some of those photos to deepen our historic archives. Drop us a line if you have any images to share.
