PALO VERDE PARK POST

Pre-Order a Treat, Support a Flagpole at the Park

We're raising our whisks to raise money for a flagpole by the veterans' bridge.

With your help, we'll fly the colors on dedicated recognition days to honor service and sacrifice.

All treats are \$10 per item, with 100 percent of the proceeds going to purchase the flagpole.

Pre-order starting today through Wednesday and our bakers will be ready for delivery of fresh sweets for Valentine's day weekend.

The Palo Verde Park Neighborhood Association was founded in 2018 by east-central neighbors seeking to build a stronger community through civic engagement, collaboration and connection.

Join Us April 5 for our Home History Tour and Lecture

The post-World War II period saw unparalleled and explosive growth in our community, fueled by economic prosperity. This phenomenon took place against a backdrop of a housing vacuum in the country that couldn't meet the needs of returning war veterans.

The ranch house became the most prolific residential housing type in our community, and indeed, in the United States.

In part because it is so ubiquitous, it might not get the appreciation it deserves as a significant cultural resource and touchpoint.

But we think it's time to celebrate the architecture that makes our neighborhoods so unique.

Join us for a lecture on the factors that shaped how Tucson developed and some of the architectural features that make our homes special.

We'll also hear a presentation from David Leighton, who writes the popular Street Smarts column for the Arizona Daily Star, before visiting a few of the area homes that are reflective of the design.
