# We Rocked the Ranch House on the Home History Tour and Lecture

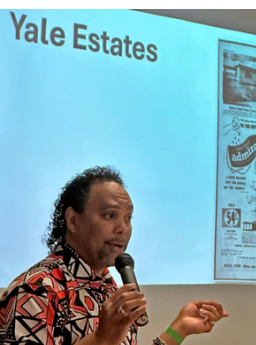

Thanks to everyone who participated in our midcentury celebration that featured four of our fabulous '50s/60s houses, flanked by '50s cars, and featuring '50s snacks, '50s tunes and '50s vibes!

We had fun and met new friends as we explored the dichotomy of ranch architecture - wrapped in a style evocative of rugged Western individualism, but accomplished through mass production and mass marketing.

Street Smarts columnist David Leighton also shared some gems about road names.

Thanks to the homeowners who opened their homes, and to the Board members who supported the event and spoke at the lecture, and to the folks who turned out to support our fundraiser.

As they may have said then: You guys are THE MOST!

# Sprucing Up the Place

Spring is a time of renewal so it's fitting that Investment in the neighborhood is under way, from the renovation at the park, to the new water basins at the labyrinth from the city's storm-to-shade program to a road refresh on some of the area streets. Next up: Our flagpole!
