The Palo Verde Park Neighborhood Association was founded in 2018 by east-central neighbors seeking to build a stronger community through civic engagement, collaboration and connection.

Calling All Palo Verde Park Artists!

We're raising funds for a fun gathering in the park when the weather cools off. Typically, we fundraise for a specific investment in the park, but since it has been closed for so long, we think there's value in just having time together, with a little music, a little food and a little friendship. If you'd like to donate, drop us a note on our Facebook page! Stay posted for the online auction in August!

Sweat Equity at the Labrynth

In support of the city's efforts at the parcel east of the park, neighbors purchased rip-rap and started outlining the walking path that will eventually span from the veteran's bridge and along the wash to the north end of the parcel. We started on the south side and will have more to do to complete the pathway as the city's storm to shade program wraps up its work building berms and planting trees on the site.

Neighbors Mark Memorial Day with Inaugural Flag Raising

It was a poignant moment of reflection as neighbors gathered to honor those who made the ultimate sacrifice in securing our democracy. Two Navy veterans raised the flag and representatives from the Parks Department joined us for the short ceremony. Watch for it on all major holidays by the veteran's bridge near the labyrinth.
