The Backyard Idea Stroll: A Neighborhood Fundraiser

Help keep our neighborhood connected and having fun events together! Join us for our fundraiser!

Stroll through five open backyards in the neighborhood and see how neighbors have transformed their outdoor spaces into true extensions of their homes. Plus, hear from experts with some quick how-to's at most of the yards.

Kathleen Opeka, a garden consultant and educator, will speak to creating a backyard oasis, supporting natural spaces and vegetable gardening at three homes.

Megan Ewbank from the Tucson Bird Alliance will speak at our last home about creating habitat value in your backyard.

Come wander with us Saturday, April 18, 9 a.m. - noon. Tickets are \$10 each or \$15 for two. Space is limited to 60 guests, so grab yours early.

Construction Kicks Up Again at Park

It's no secret the park construction had a lot of problems.

Ward 2 has been doing what it can to support neighbors, including adding the walking path pullout on the east side of decompressed granite, lobbying for a shade ramada for the small dog park, raising funds to cover the basketball court (see photo below) and pressing for efforts to ready the fields for the upcoming season.

We appreciate your commitment to representing neighbors and helping ensure the park we love can thrive again.
