# Cute Animals Return to Children's Playground

Look who's back in the trees!

The storm a few years back took out several playground trees, and with them, all the little tree animals that added a touch of whimsy to the space.

Now that the park has reopened, the animals have returned, thanks to a ladder, some hand tools, and a bit of neighborly determination.

Next time you're at the park, look up:

You might spot a few familiar faces keeping watch from the branches.

# Pool Open Through July

Come on in! The water's fine!

Don't forget the park pool is open through July, and it's the perfect place to cool off, unwind, and make a few sun-and-fun memories while you're at it.

Monday–Thursday: 1–7 p.m.

Sunday: 1–7 p.m.

Bring the kids, bring your favorite float and your cannonball energy.

Summer goes fast.

Fill it with laughter, splashes, and the kind of moments that make lifetime memories.

# Scenes from the Neighborhood

From opening our newly lit basketball courts, to sharing smiles at the ice cream social, to brightening the labyrinth with a community painting party....it's been an eventful stretch of summer fun already.

See you around the neighborhood!
