SINCE 1951

A FUN, FAMILY-FRIENDLY EVENT FOR OUR COMMUNITY!

Neighbors. Community. Tradition.

New Park Ramadas

After years of advocating, our neighborhood is celebrating the addition of two new ramadas at the park, one at the dog park and another at the children's playground. Providing much-needed shade was one of the very first priorities identified when our association formed in 2018, but we also know that positive change often takes time and community partnership. Some things really are worth the wait!

Mutt Mitts Coming Soon

Thanks to the tremendous support of neighbors who participated in our recent bake sale fundraiser, new dog waste stations will soon be installed throughout the park. The stations have been purchased, and we're awaiting signage and installation. Responsible pet owners already do their part to help keep our park clean, and these new stations will make it even more convenient to pick up after our furry friends. I

t's another great example of how small community efforts can lead to meaningful improvements that benefit everyone who enjoys our shared spaces.
